

## Walsons Healthcare

### Our approach

Our approach is bespoke, effective and ensures the highest quality of service delivery through commitment and knowledge. We understand the changing trends in the healthcare staffing sector and adapt our approach accordingly.

We are eager to make a difference to your organization by being your partner of choice for healthcare staffing.

Walsons Healthcare UK is a part of The Walsons Group (Est.1996) empowering over 50,000 employees globally, with a dedicated focus on building a strong essential services platform.

We believe that the right job can transform a person's life and the right person can transform an organization. With a mission to create value for our clients by being a trusted partner, we connect our domain knowledge and expertise in recruitment to the client's needs, thereby offering the best in class solutions in healthcare staffing.

Led by the collective skills and experience of over six decades of seasoned specialists, we bring to our clients expertise in recruiting qualified, professional and skilled healthcare professionals, operating across private and public sectors.

Enabling businesses through talent is our promise. Having the right people, in the right place, at the right time is the key to competitive advantage and Walsons Healthcare makes that possible for its clients.

## It's all about getting the basics right !

**Our services enable you to:** Reduce time to hire | Improving hiring manager experience | Access a broader talent pool, improving quality of hire | Reduce costs

### We make this possible for our clients by

Providing IELTS / OET passed or Language Exempted Nurses for immediate Skype Interviews:

#### Comprehensive sourcing methodology

Enables us to tap the premium industry talent and match the right candidates' resumes to the job descriptions.

#### International database

We offer the most extensive database of healthcare professionals in the world, with all job seekers screened and interviewed prior to their registration with us, thereby saving time and money for our clients.

#### Targeted search

Our dedicated search team analyses the market to identify the most suitable talent for you.

#### Strong network/referrals

Since our inception, we've focused on building an extensive network of healthcare professionals. Each consultant has a personal network of contacts which helps us to gauge interest and solicit referrals.

#### In-house IELTS and CBT training facilities

Based on international healthcare standards, training programs are provided in well-equipped classrooms laying focus on the development of clinical, communication and inter-personal skills.

#### Snapshot of the trainings we offer:

IELTS / OET | CBT | Clinical training | Coaching | Global etiquette | Critical thinking | Pre-deployment Country orientation

### Career advice from our experts

Our ability to zoom in to the minutest details at each milestone ensures that the nurses are well informed. From documents submission to scheduling client interviews, interview preparation to getting the offer, passing IELTS to NMC registration, document verification to getting the decision letters, we handhold our nurses in their journey to UK, making sure they are smiling all along.

### Our reach

Walsons Healthcare's distinguished offering comes from its ability to tap the best in class talent from the most lucrative markets of India and the Philippines through its privately owned and managed recruitment centres. With ten privately owned regional offices in India and strategic tie-ups in the Philippines, we attract nothing but the best for our clients.
