

Position: Registered Nurse

Registered Nurse: General Requirements:

- Registered Nurses (transcript required unless they have NCLEX) with more than 6 months of current and consistent acute care nursing experience in an acceptable specialty and facility.
- IELTS – 6.5 overall and 7 in speaking / TOEFL – 83 overall and 26 in speaking.
- Suitable facilities include tertiary and large secondary level hospital of no less than 80 beds in size
- Hospital is seeking only those nurses working in clinical inpatient settings (EXAMPLES: Medical/Surgical, ER, ICU, HDU, CCU, Inpatient Oncology, etc.), we are unable to consider Pediatrics, PICU, NICU/Neonatal, OBGYNE/Antenatal/Postnatal, L&D, Psychiatry, OPD
- Continuous work experience during the process and up to deployment is required.
- Preference is for nurses who have passed NCLEX or IELTS/TOEFL
- For RNs without NCLEX, if offered by the Hospital, they will be required to undergo the Hospital NCLEX review program.
- Facility should be secondary or tertiary level with 80+ beds, although consideration is also given for smaller facilities on a case-by-case basis.
- Hospital can consider nurses with or without the NCLEX-RN exam, but they must hold an active nursing license in their current country of practice.
- Hospital may require some candidates to independently complete English requirements prior to consideration.

Salary:

- Client minimum compensation is \$30.00 per hour. We cover the monthly cost of life and medical insurance. We offer all other benefits like 401(k) / pension, dental, vision, etc.
- Offer Green card.

Nationalities accepted: Asia, UK, Middle east, Caribbean & Africa.
